## Church planters among the Tibetan people

### July 2, 2018

Dear Praying Friends,

God has worked mightily on our behalf in May and June. We cannot thank you enough for your prayers and support. We have made an update video you may watch on our website [www.KnickerbockerFamily.com](http://www.KnickerbockerFamily.com). We also made a printable prayer calendar so you may regularly pray for the Tibetan people of Nepal.

At the end of May, we received our visas which are valid through 2023! Until this year, we could only get one-year visas; but new laws now permit U.S. Citizens to get 5 year stamps!

The last week of June, we bought this 2012 Tata Sumo Grande jeep for our family. It can seat 9 people and was previously owned by a doctor. It even has an air conditioner! We are so grateful to the churches who contributed to this purchase!

On June 10th, our dear brother Gyatso Gurung graduated from Bible College. He now lives in our neighborhood

and is helping our family improve in the Nepali language. He has a burden for Tibetan church planting. Pray as we begin making regular trips across the city to Swyambhunath, home to many Tibetans. There is a great need for a Tibetan Baptist church. Please pray that God will prepare hearts as we meet people and start Bible studies.

Recently, Luke and Gyatso, along with several members from the Kathmandu Baptist Church, went

to the Tamang village of Mangalthar to preach a Gospel Seminar: a series of lessons from Creation to Christ. About 50 people stayed for all the sessions. After, some asked questions and others were interested in coming to services that are held weekly now!

All for Jesus, *Luke and Jamie Knickerbocker*
